

FileZilla Tutorial

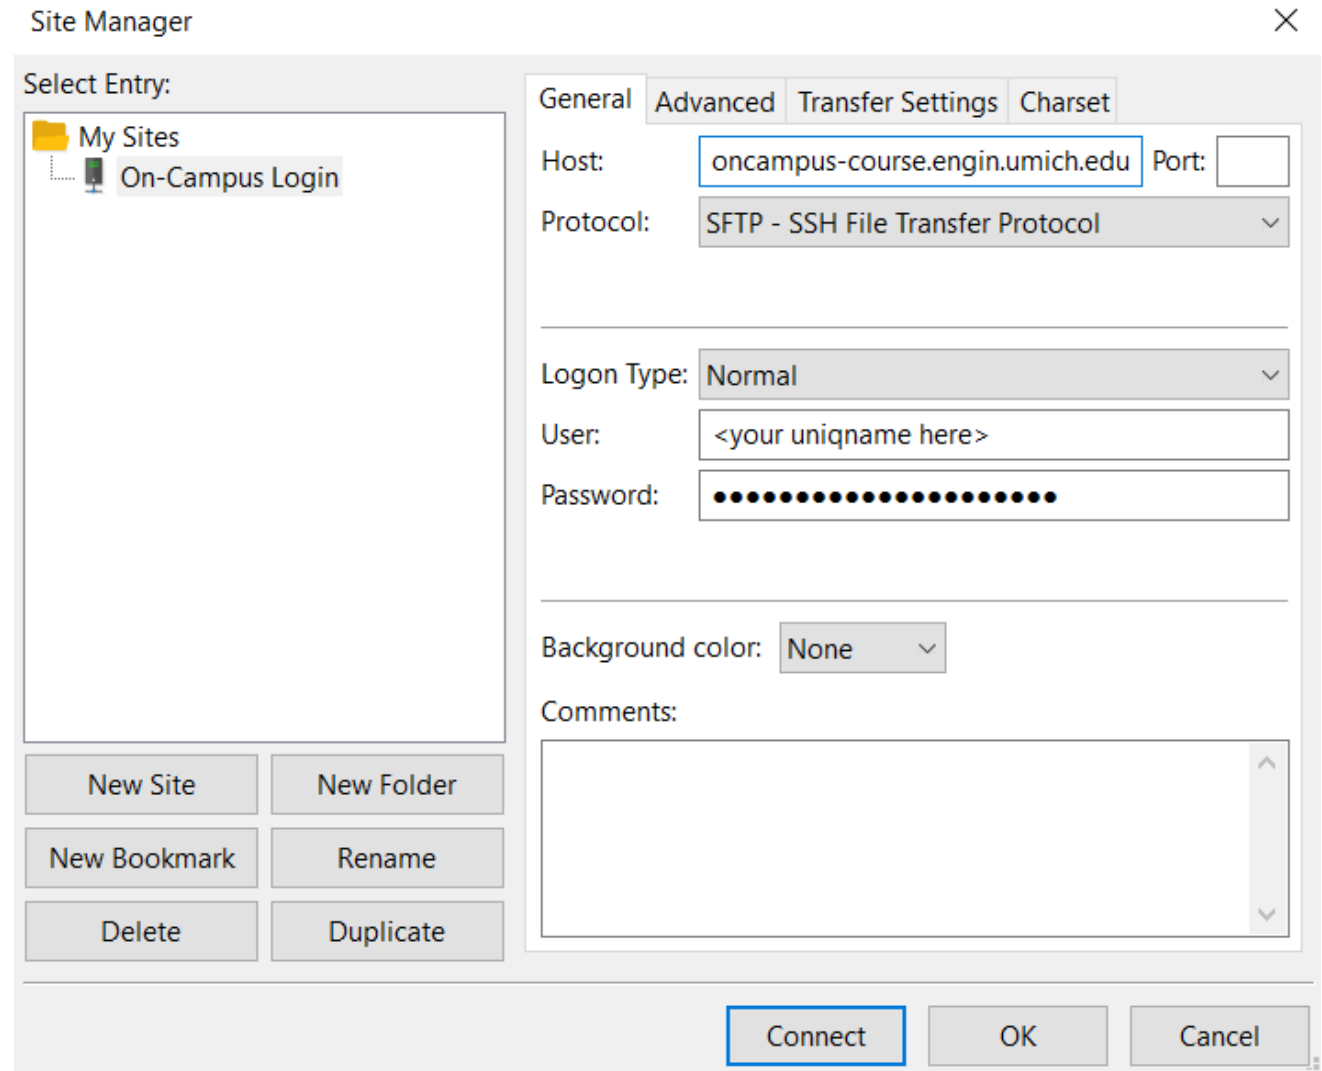

Transferring Files Using FileZilla

- Transfer files from your local machine to CAEN.
- Download [FileZilla](#).
- Start FileZilla and choose File → Site Manager.

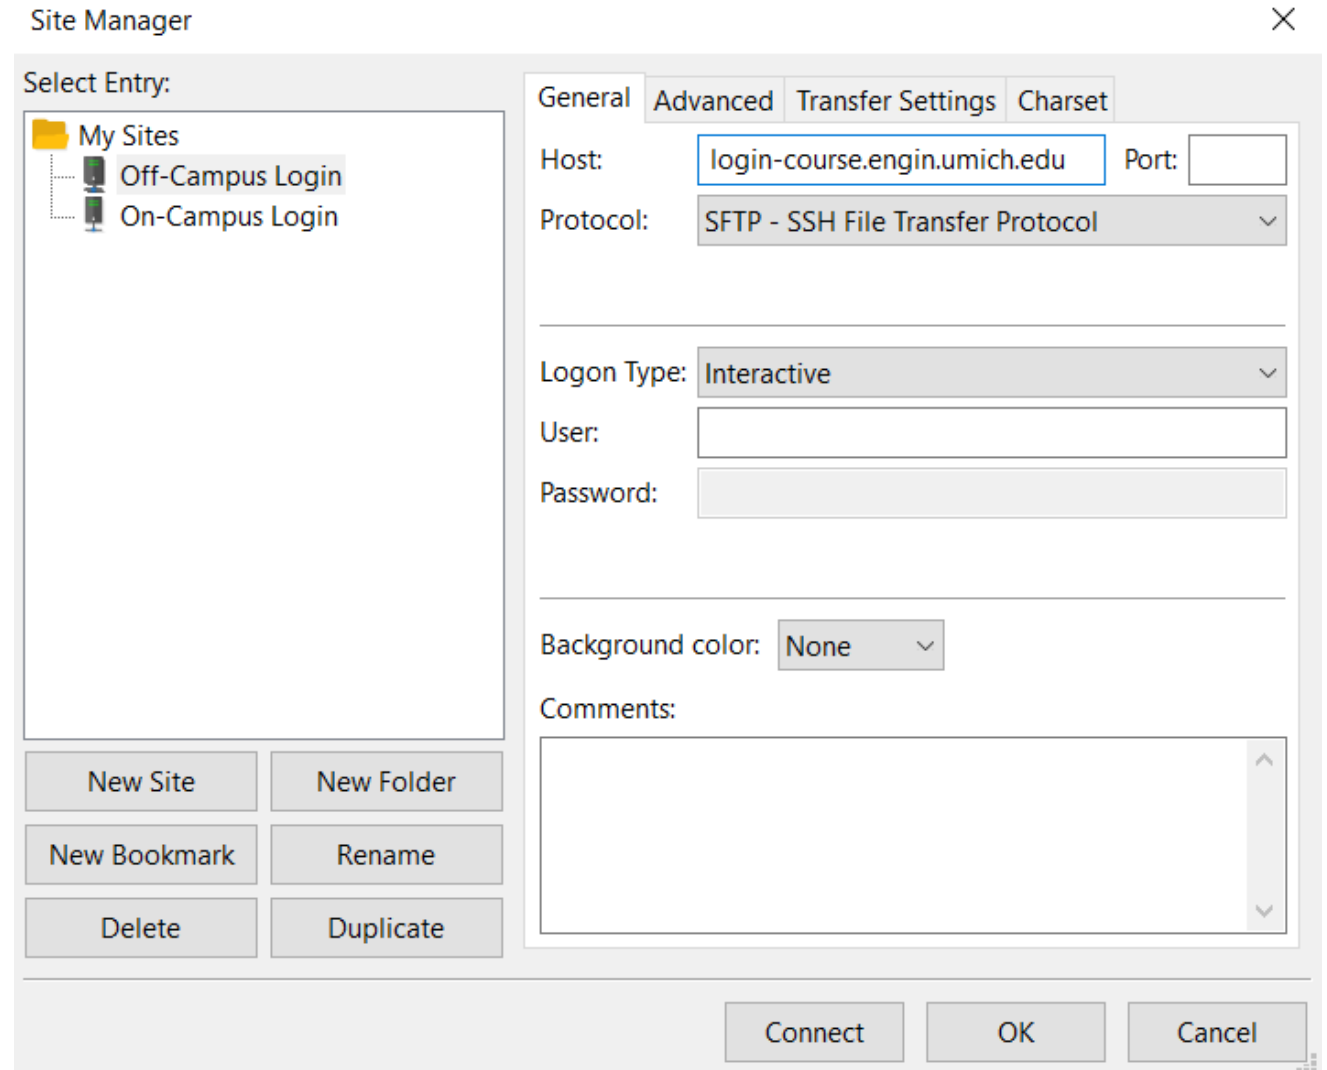

Transferring Files Using FileZilla

- In the window that opens up, choose “New Site,” followed by “Rename.”
- Rename this new site “On-Campus Login.”
- Change the other settings to match the screenshot.
- This will only work if you are connected to MWireless!

Transferring Files Using FileZilla

- Choose “New Site” again, followed by “Rename.”
- Rename this new site “Off-Campus Login.”
- Change the other settings to match the screenshot.
- This will work if you are trying to access your files off-campus.

Transferring Files Using FileZilla

- If you connect off-campus, you will be prompted to type your password and select a two-factor option (Duo, phone call, or SMS).
